

Ingersoll Rand Forklift Parts

Ingersoll Rand Forklift Parts - Ingersoll Rand offers products, solutions and services so as to ensure efficiency and increase the productivity in residential, industrial and commercial surroundings. They pride themselves in delivering products to enhance the health, safety, comfort and security of people all around the world all through their four global segments.

From their Climate Solutions division comes a product line of energy efficient HVACR solutions. The Thermo King is the leading transport temperature control, while Hussman manufactures refrigeration and food merchandising solutions. Trane is a trusted provider of energy efficient air conditioning and heating ventilation systems, contracting and building advanced controls, services and parts support used for both commercial buildings and residential homes.

The Industrial Technologies sector of Ingersoll Rand provides solutions and products in order to improve energy efficiency, productivity and operations for their clients. The range of products in their line comprise: tools and pumps, and material fluid handling systems to complete compressed air systems. They have even developed Club Car, the worldwide leader in utility and golf vehicles intended for businesses and people.

Recognized trade names like for example Schlage and Trane compromise the Residential Solutions business, delivering safety, efficiency and comfort to home owners all around North America. Several of their innovative quality products consist of electronic and mechanical locks, indoor air quality solutions, air conditioning and heating systems, remote home management, portable security systems and advanced controls.

The sector comprising Security Technologies offers products which ensure productive, secure and safe environments. This division's market leading products consist of door and floor closers, portable security devices, exit devices, electronic and biometric access control systems, cabinet hardware, steel doors and frames and locks, decorative hardware and locksets. Recognized brands like for example Schlage likewise provide personal, time and attendance scheduling systems.
