

Trek Part

Trek Parts - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning industry. The company's founders, Jim Hartsock, Chris Knowlton and Bob O'Hara, have over 60 years combined experience with effectively marketing, manufacturing, designing, developing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their customers and are committed to offering top quality and new design concepts so as to meet the diverse needs of their customers.

In their product development; TREK Cleaning Machines continually provides fresh design concepts. They like offering items which energize both their dealers and their partners and provide production gains to their clients.

The team at TREK likes handling new tasks and challenges. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the understanding of operators' skills and requirements combined with their knowledge of cleaning applications, together with owners' strong desire to dramatically lessen cost through productivity gains.

When considered necessary, the staff members within TREK and its several dealer members in both parts and in technical support will be obtainable. One of their core values is their high service devotion in their customer service. Keeping their clients' cleaning equipment running and ready on a daily basis is top priority. The company's top of the line technology delivers reliable equipment which ultimately reduces your cost of cleaning. The service, the product and the price all work together in order to make them the leader in the industry.
