

Advance-Nilfisk Part

Advance-Nilfisk Parts - Imagine how tiresome it would actually be to tidy up your home after having a big party, with no assistance from cleaning machines. Back in the day, when upholstery and carpets had the dust beat out of them by hand; brooms, cleaning cloths and brushes were the leading cleaning supplies of that time.

P.A. Fisker, the man who founded Nilfisk-Advance, was an electrical engineer who loved working with electrical motors. Establishing the company in the year 1906, he began to produce motors to drive coffee grinders, drills, fans and machine tools. Mr. Fisker's dream from the start was to have a global company advertising goods worldwide.

The Nilfisk C1 was a revolutionary breakthrough in the cleaning business. Mr. Fisker invented a remarkable, ground breaking vacuum cleaner that could be operated by a single individual for the reason that it only weighed 17.5 kilos! This invention came in a time where various cleaning machines were huge and required 4 or more operators, therefore, the Nilfisk C1 transformed everything and developed the way we clean forever. The brain behind these first cleaning machines remains unparalleled. Cleaning equipment offer an excellent solution to an existing crisis; stuff get filthy and need to be cleaned frequently, without too much effort.

Gradually but steadily, Nilfisk-Advance developed through the years. In the 1980s, this development really took place the time the business became a part of the NKT Group. Their new owners' drive and motivation made Nilfisk-Advance take a huge leap forward within the trade, aspiring to be among the leading international players in the market of professional cleaning machines. Nilfisk-Advance is now located in all parts of the world due to gradually acquiring many smaller businesses so as to grow their product selection and presence in new markets. They are really proud to present a range of cleaning solutions to suit each and every need.
